

# Excellence in Educational Furniture & Fit-out

*“Our mission is to provide inspiring learning environments to maximise potential”*

Many teaching environments have proved that a newly refurbished environment is an exciting opportunity to: revitalise the school, introduce new working practices and obtain real improved results.

All of our team are dedicated to giving you the best possible service for all school fit-outs:

- *Free surveys and quotations*
- *Complimentary designs and layouts*
- *Samples of furniture*
- *Detailed Project Management*

*Project references available on request.*

## Learning Hub

*School environments are changing! Latest research shows that activity based furniture will enable the best learning experience. Our learning hubs contain: self-directed learning zones, collaborative areas, small group teaching and break-out spaces.*

*In a pilot study by the University of Salford and architects, Nightingale Associates, it was found that the classroom environment can affect a child's academic progress over a year by as much as 25%.*

- ***Flexible, functional and fun!***
- ***Assists individual learning styles***
- ***Prepares pupils for life-long learning***

## School Storage: Teaching Wall

*With so many designs available, creating your own unique teaching area has never been more rewarding.*

We provide bespoke teaching walls to suit your specific requirements and spaces available which can incorporate Smart boards, monitors, computers, pullout work surfaces, white board doors, student trays, charging stations and classroom storage.

### **DID YOU KNOW?**

*Glendale have fitted over 200 storage and teaching walls in north west schools.*

*"The teaching wall looks great, very usable."*

**Headteacher**

Tablet charging can be incorporated into all of our storage solutions.

## School Storage: Low Storage

*Fully fitted solutions for classroom resources and personal storage can transform your spaces, increasing available space to create bright and airy surroundings.*

### **DID YOU KNOW?**

*Fitted storage solutions can increase floor space by up to 200%.*

*"All the things you need to learn are so easy to get now. You don't waste time because the teacher can organise all the resources you need."*

**Year 3 Pupil  
Manchester Primary School**

## Classrooms

*We offer a complete range of services, including furniture specification, bespoke designs, FF & E furniture procurement and work space assessments.*

*"It's a good environment for learning"*

**Student  
Blackpool Secondary School**

*"We were very pleased with the performance and the fact that the project was completed in a timely fashion."*

**Headteacher  
Cheshire Primary School**

## Dining Areas

*Whether it is infant, junior or senior – as permanent dining space or a multi-use hall - we have a practical and effective dining solution.*

*"We wanted to create a fresh, fashionable look and this is exactly what we have received. The pupils love the colours and style, teaching staff and restaurant personnel have all praised the look and quality of the furniture."*

**Business Manager  
Warrington Community School**

## Offices

*Designed to provide a multiplicity of solutions for the school environment, our stylish furniture ranges will motivate and inspire.*

*“Good advice in the initial consultation, very professional and delivered according to schedule. Very pleased with my office– solid, smart and professional.”*

**Headteacher  
Warrington Primary School**

## Receptions

*Where first impressions count!  
Did you know first impressions are made within the first 11 seconds?  
What does your reception represent about your school?*

*"I was impressed by the speed and quality of the work and management."*

**Headteacher  
Cheshire Primary School**

## Meeting Rooms & Social Spaces

*Whether you need facilities to cater for large conferences or small informal meeting areas we have solutions for you.*

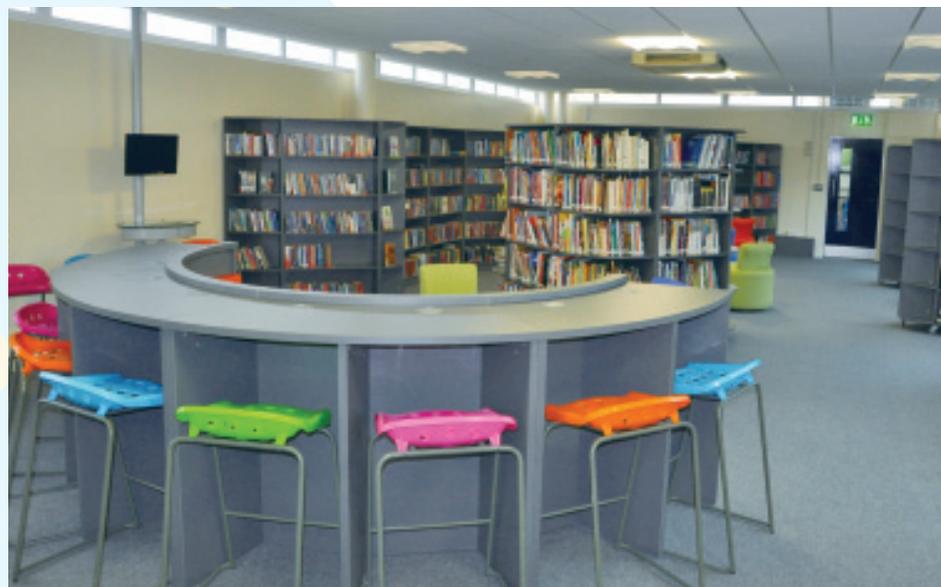

## Learning Zones & Libraries

*Our vision of creating inspirational and effective learning spaces means that each project is regarded as an opportunity to improve your environment with the aim of making your facilities more productive. Encourage self-directed learning or group participation by making your library or learning zone the highlight of your school.*

*"The library is so bright and colourful. We now love working in there."*

**Student  
Manchester Primary School**

*"The library is now a vibrant and engaging area. Very professional service throughout the project."*

**Business Manager  
Preston Secondary School**

## IT Rooms

*In an ever changing world of modern teaching methods we feel that it is important to have the facilities to incorporate cutting edge technology within your school.*

*"The project went well and achieved the outcome we were looking for. The finished product is fantastic. The children have all expressed how great they think their new facilities are."*

**Headteacher  
Cheshire Primary School**

## Staffrooms & Kitchens

*Inspire staff with a comfortable atmosphere to take time out from the classroom.*

*"Delighted with the final outcome – it meets all our expectations."*

**Headteacher  
Warrington Junior School**

## Washrooms

*Create bright, airy and clean facilities with our hygienic hardware and materials.*

*"The washrooms are posh. All the toilets have been redesigned and they are fab."*

**Year 6 Pupil  
Manchester Primary School**

*"The finished project is superb! We are very impressed with the transformation."*

**Macclesfield Private School**

# Technology Rooms

*Whether you are looking for traditional surfaces or a modern contemporary style we can create a scheme to combine functionality and performance with exceptional design.*

*“Educators need not feel they must choose between striving to achieve constructive classroom environments, and attempting to enhance student achievement of cognitive and affective aims. Rather, constructive educational climates can be viewed as means to valuable ends and as worthy ends in their own right.”*

Barry J. Fraser & Herbert J. Walberg

*"They are fresh, clean and airy with space to perform safe, fun practicals."*

**Secondary School Student, Blackpool**

*"Excellent work, well managed. Stunning transformation."*

**Business Manager  
Manchester Grammar School**

## General Refurbishment

*Colour coordinated schemes can transform your school environment at no extra cost and, with hundreds of finishes and fabrics available we can give your spaces a make-over with a fresh new look.*

**Project Outline:**

**1: Glass partitioning and ceiling | 2 - 3: Carpeting  
4: Glass partitioning and ceiling | 5: Security door | 6: Decoration and flooring**

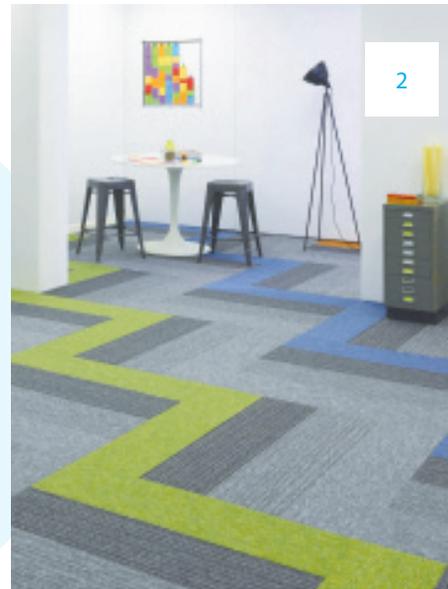

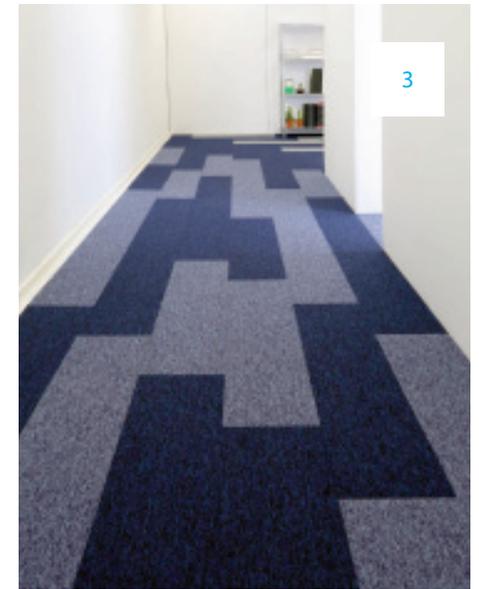

1

*"Ambitious design that fulfilled our vision."*

**Business Manager  
Manchester Primary School**
